Dear valued business partners,

It is our pleasure to present to you the new **CONCORDE** product catalogue for the **2026/2027** season, marking the **twenty-third edition** in the history of VOLF Office Supplies.

Over more than a quarter of a century, the **CONCORDE** brand has established a strong and trusted position in the office and school supplies market. It continues to build on its core values – **reliability, trust, and long-term partnership** – which are reflected not only in our products, but also in the relationships we maintain with our business partners.

In this year's edition, we have placed special emphasis on expanding our **creative product range**. We believe that supporting creativity, originality, and colourful self-expression has an essential role not only in the school environment, but also in the office and at home. The clear and structured layout of the catalogue will also help you easily navigate and choose from our extensive offering.

You will also find a selection of **eco-friendly products**, which have become a well-established part of our portfolio and continue to reflect the growing importance of sustainability and environmentally responsible practices.

Thank you for your continued trust, loyalty, and partnership. On behalf of the entire team at VOLF Office Supplies, we wish you an inspiring and practical experience with the new **CONCORDE** catalogue.

Scissors CONCORDE Teflon

- the teflon surface of the scissors is non-stick and at the same time the coating protects the scissors from a corrosion
- scissors are especially suitable for cutting the adhesive tapes, fabrics, photographs and all types of paper
- the 3D blade reduces the friction surface of the knives and makes cutting more convenient
